Savannah Cabins at Taronga Western Plains Zoo

For high quality self contained accommodation in a unique location, look no further than the [Savannah Cabins](#). Set on natural grasslands adjacent to the Zoo with an outlook towards the African Savannah (just 280m in the distance), the Savannah Cabins offer affordable family accommodation.

Each cabin features two bedrooms and two bathrooms (one main and one en-suite) and can sleep up to six people.

One bedroom features a king bed that can be configured into singles if required, whilst the other bedroom has a queen bed. A sofa bed is located in the lounge area. One cabin is equipped with disabled access including an accessible bathroom. Each cabin is air conditioned, with a fully contained kitchen with refrigerator as well as alfresco dining area with barbeque*. There's also free wifi and Foxtel.

The Savannah Cabins provide guests with the freedom to stay and explore the Zoo, or see what Dubbo and the surrounding region has to offer, with the flexibility to come and go. Alternatively guests can simply relax and take in the peace and tranquillity of this unique setting.

*Please note that in the event of a total fire ban the barbeques are not permitted to be used at the Savannah Cabins, this is part of our commitment to keep our staff, visitors and animals safe.
